## CERTIFICATE

## The company

Etikettkompaniet AB Lidaholmsgatan 3 503 38 Borås, SWEDEN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **20-28660-1** 

Tested for harmful substances www.oeko-tex.com/standard100

## for the following articles:

Coloured woven labels made of polyester, cotton, polyamide, silk, linen, cotton/polyester, viscose, acrylic, recycled polyester, flame retardant polyester, metalized polyester (gold, bronze, red, green, blue, yellow, orange), elastane, thermo adhesive polyamide, yarn dyed, partly with max. two wefts of security strip (PET-film), with and without hard, soft, stability coating, with or without adhesive backing type AS, film coating, thermo adhesive backing and nonwoven backing in white or black, partly printed with transparent UV-ink, partly produced with fibres accepted by OEKO-TEX® having flame retardant properties.

Accessories made of zinc alloy or brass, painted (in a limited range of 8 colourants) and lacquered; electroplated and lacquered in dark alloy, red copper, white zinc, imitation pewter, antique brass, imitation nickel colours, with or without nylon parts in black; accessories made of raw aluminium. Plastic buttons made of polyester resin, white or dyed.

Labels are based on materials certified according to STANDARD 100 by OEKO-TEX®.

Accessories are based on material partly certified according to STANDARD 100 by OEKO-TEX®

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 19-243 is valid until 30.04.2021

Mölndal, 12.05.2020
